## **Eden Brae Homes celebrate at the 2020 HIA-CSR NSW Housing and Kitchen & Bathroom Awards**

Eden Brae Homes celebrated their success during the 2020 HIA-CSR NSW Housing and Kitchen & Bathroom Awards virtual presentation on Friday afternoon.

The Norwest based company won the HIA NSW NSW Professional Major Builder award, for the fifth year in a row, partnered by HIA Insurance Services, as well as the Work Health & Safety Award and the Display Home \$400,001 to \$500,000 for their Box Hill project.

Congratulating Eden Brae Homes on such an outstanding achievement, HIA Executive Director - NSW, David Bare, said “The awards recognise excellence in residential construction and these awards provide a tremendous opportunity for HIA members to showcase their projects and highlight building and design excellence.”

This year’s awards were particularly special being the 50th anniversary of the HIA NSW Housing and Kitchen & Bathroom Awards as well as the first ever to be held in a virtual format, which is a very fitting parallel to the resilience and adaptability HIA members have shown throughout a difficult year.

“Congratulations to all this year’s winners and finalists for outstanding achievements in workmanship, innovation and design. The winners of major categories can look forward to progressing to HIA’s national awards next year and I wish them every success”. David Bare concluded.

The Housing Industry Association (HIA) is the peak industry association for the Australian residential building sector, supporting the businesses and interests of builders, contractors, manufacturers, suppliers, building professionals and business partners.
